VISITING LIBRARY SERVICE

**Mississippi Mills
Public Library**

Mississippi Mills Public Library

The Visiting Library provides a full range of services to residents of Mississippi Mills who, for reasons of disability, age or illness, are unable to come to our library branches.

When you register, tell us your reading interests and tastes. We use this information to help select material for you.

Library staff match you with a volunteer who picks up your material and delivers it directly to you.

When you are finished, your volunteer picks up the material from you and delivers it back to the library.

This service is FREE.
